## Dillards &amp; Flamingo Casino &amp; Caesars Entertainment

Interviewed with the Flamingo Casino

Sept 11th

Was followed in the parking lot to the casino meet with Tim and another woman who ran out - she looked just like the woman from Dillards who was at my Ralph Lauren training who works at Fashion Show. Tying to find out who I am - I am not his business. This is more harassment from the UNW & Caesars Entertainment with Dillards. She even asked what would Phil say who is the next Mgr at the Summit store who I have put down as a reference or as my manager since Brenda did nothing to help stop the harassment and made me agree with the managers at Dillards including with the store manager about being a specialist. Also they let the FBI, bookend and public harassment and further harassment go on.

More harassment over my benefits.

I went to the Sept 19th Panel Interview and a group there just stared at me meaning.

After the interview I went to the Summit Mall to Bath & Beyond and a blonde man followed me - he was carrying cargo pants and he was teasing & watching me go into the store.

19. After this page is a copy of the Evolve YOU - that was given to me at the Newport Beach Court Office in California.

This is what they are using to harass me to withhold healthcare & my benefits.

They continuously are making with my Venus email.

I paid my Venus account credit card on time. Yesterday I was text by Community Bank to call them.

Supposedly they did not process the payment. Again trying to stop me and possibly trying to get into my bank account and ruin my credit.

26. When I started with Lyft.

I was harassed by Lyft drivers  
passengers were telling me they were  
come up to them and telling them to  
drop me.

They continuously stopped the GPS.  
They drew a trace in pink around a  
passenger's home in Henderson on Pollock  
Street.

They recently did this a week ago thru  
the Uber driving App. I am now driving  
with Uber.

The ride was for a EpiPen on Pollock  
Street. The ride was fake and I was  
also followed by 2 cars that were driving  
dark. They were small compact type  
cars.

The Date this happened again was  
Oct 25<sup>th</sup> 2018 - The man they did this  
to I gave a ride from him at The Lakes  
when I started with Lyft and his name  
is Timmy.

I also informed Detective Kinwell about  
this - who is with the Internal Affairs Dept  
Las Vegas NV.

They also stopped a ride from a Dave  
& Line traced thru the App.

Gave me wrong directions to a spot & the  
women needed to go to the urgent care.

They also tried to Zero out my earnings  
thru the Lyft App.

They were zooming in my app and enlarging it.

Continuously giving me wrong directions

They also were putting pictures of different people all at once in my app.

21. I was allowed for my car insurance  
by these people at the car wash to  
move to One Tropicana.

22. Also I stopped driving for 3 weeks  
or so because of this harassment.  
I went on the App so often just to  
look at it and they sent me a  
question - multiple choice.

Do you have another job  
and two others - asking me what are you  
doing.

This is not their business where I go  
and what I do when I do not drive.  
I went to the Red Rock Casino and it  
was followed by two women there watching me  
shop & go to their spa.

on Charleston - just past Klamath here  
in summer.

She then again followed me to  
my house and watched me eat  
and have a glass of wine at the bar.  
She also has yelled out at me in the  
parking lot of the Aldersons by the  
"10/100000" it was pink - more  
synthetic hair of Brantley  
which my mom did of  
the Brantley hair with the short hair.  
I had me to my hair salon at Canyon Sp  
off of Lake Mead Rd and 9130. She  
followed me to Mosaic at Boca Park.  
In her gold & black car - like a Ferrari.  
She was staring me out - Stalking  
me where I got my hair done now.

August 9th

Called thru Total Wine & More website  
cart # 54487267 8:45pm  
Had to call customer service - The box  
where you put the name of the ~~Stk~~ NV  
they would like me to print it so I couldn't  
sign up for a wine class. I had to call  
the company's customer service - I told them  
and they said - strange it shouldn't be  
happening. I signed up for the class thru  
them.

22. NOV 3 2018

Still walking into my app.

I got a ride again to Pollock street  
where Timmy the man Madaluy Bay  
Bartender lives.

Again to have this documented  
Bar harassed for him on the previous pages  
There was no ride - they I got a new  
ride immediately saying it was Michelle  
who would be at the Address in Kensington  
a Shopping Center to pick her up at Paul Mitchell -  
Michelle is my hairdresser here in Boca Park  
Immediately this ride was changed to the name  
of the correct man.

They still are following me to my Walk  
Salon Massie here in Boca Park.

mom & Marshal retail group  
started this when I worked for Marshal  
Russo at the excavation with Dillards  
Andy the manager of Dillards knows one of  
the executives at Excalibur. I assisted  
this executive's stylist while I was working there.  
The stylist showed me a picture of her  
and told me she gets to pick out the clothes  
from Dillards.

Agent this was taking me away from my  
job responsibilities & making my sales goal.

I started to work at Marshall Russo in Excalibur MGM in June. I met the bartender when I was there even when I was just - gave me a Complimentary Drink while I played video poker.

After that I was harassed by the union along with the cocktail waiters - Union Reps following me in the casino, men in the casino running in the store and store off me. Also I met the manager from Cardiot along with another man staring at me one morning.

Melanie a employee of MRG at Marshall Russo started harassing at me several times when she was alone working with me. I was harassed for the Healthcare Card because of sick - and I didn't work there, I just want to see a few hours on break or to ask a question I was harassed by Jenni the manager. She never would give me a two week schedule that was in their policy & procedure manual that that is a requirement of the company. She asked to me a cleaner because my employee number ended in 409. When she hired me she said I was a supervisor - then my paper work was changed to Fashion stylist.

Arsen harassed me over and over again with getting in my face with mirrored sunglasses about FBI agents & Detectives.

The same short Fat Blonde woman with short hair came in & kept yanking at me. Arsen left the company before I did.

I came to work with my written notice and left it with the other supervisor.

Michael Detail Group failed to pay me in 3 days - they waited over two weeks.

I called Anna R.R. several times and they would not return my call.

They don't follow the NY Labor Laws & they harassed me using them.

MGM continuously discriminated against me when I went to interview with them over this. At Excalibur on my interview - Security was watching me over my absence along with Trish. They continuously invited to interview so they could keep doing this - other interviews MGM Grand, the P.d., & the Bellagio. I was told by the retail mgr there he would hire me for the next part time job. He called me, I went Oct 2, 2018 and then he did not hire me.

23. Nov 4, 2018

Again I received a ride from a Trish and to was suddenly switched - again this is the retail manager from the Excalibur. I interviewed with for a retail sales Associate
